# GRAVEL INSIDE

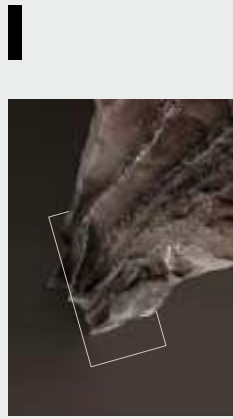

Introducing the emergence of leading manufacturers, hindgres. having conquered versatility in the size and designs of modern and luxurious domain they are stating their firm and positive growth in the catalogue gravel inside 2022. with a changing era hindgres has adopted to the top notch technical appliances to cater the market with newst styles and trends. the range has the magic spell to leave you in awe of it.

---

**HG**  
**HINDGRES**  
DREAMING IS ESSENTIAL

The elemental beauty of hindgres comes from the nature's 5 components - air, water, space, fire, earth. the inspiration has infinite combinations to bring up the unique design every time you modify these features of nature to art that elevates your architectural elegance and gives you the view of your dreams.

INSIDE

SAVOR CHARMING IMPRESSIONS

---

The new gravel is open to crossover influences and the appeal of experimentation. material, colour and decoration are the key ingredients of our research, which follows the evolution of taste and maintains constant attention to detail to develop original and surprising solutions.

  
**HINDGRES**  
DREAMING IS ESSENTIAL

Feel the **sophistication**  
ambience around \_\_\_\_\_

With hindgres, designing a living space is both easy and fun. the style inside catalogue is not just a collection of materials divided up by category but a mouldboard for designing any space with the utmost freedom.

## EVERYWHERE YOU LIKE

Taking account of the material's key qualities, including strength, thermal shock resistance, low thickness and ease of working, the WIDE large-size slabs extend the fields of use of porcelain. The WIDE collection has fewer joints while giving enormous creative freedom to architects and interior designers, who appreciate the versatility of this ceramic surface without limits.
